

A VIEW FROM THE BRIDGE

I would be very grateful if you could do me a big favour and get the following message to the director, cast, and all involved with this production.

I have been a Friend of WAAPA for a number of years and have attended a fair variety of work by students.

Last Saturday I was in the audience at the Roundhouse Theatre and I was really thrilled with the production - I think it is probably the best show I have seen by the Drama students. The set was impressive and captured the mood, characterisation was excellent, understanding and pace very good (obviously very good direction), good diction and on the whole good projection (I'm an elderly person and sometimes hearing can be a problem).

Recently I finished a wonderful autobiography of Arthur Miller, a particularly deep and analytical account of his life as a writer, a man with great interest and conviction in social issues, and an amazing dramatist - what a wonderful choice of play for the students - great structure, great dialogue. I am sure they captured the writer's intentions.

A VERY BIG "BRAVO" for all concerned!

Best wishes to all

Trish
