

Hi Kevin,

Must catch up some time!

I was lucky enough to have Tanya (FOA Committee member), as tour leader for my day in May, and it was fabulous.

If anyone is not sure about going, they can ring me for sure. I found it very emotional, apart from so entertaining and informative. I took a mate of mine who wasn't too sure about going, but he was as thrilled as I was.

A special mention of the Aboriginal Theatre class. The guy (Rick Brayford) taking that class was unbelievably enthusiastic and encouraging, and the reaction of the students was a sight to behold. That was emotional. And I even wanted to join in!!

Cheers, D
