

Accolades for WAAPA Performances

Have been to 4 fantastic shows over the last 10 days - am sure you get lots of feedback but just wanted to pass on my compliments to the everyone involved in 'Great Expectation' and in particular "Pip" and all the cast of 'Merrily We Roll Along' - they were all excellent.

The Dance show 'Raw', last night was outstanding, but I think I must single out the Saxophone show on Thursday night as just the best and most innovative use of a single instrument I have heard The work of the in-house composer and the evident linkages with schools and school educators is fantastic.

Well done WAAPA

Best wishes

Andrew
