

Dear Friends,

I am a first year percussionist, and would like to express my gratitude to the friends of the academy for providing the financial assistance that has allowed to me travel to Brisbane for the amazing Australian Percussion Gathering (APG) in 2016.

At the APG I was able to participate in workshops run by phenomenal international artists such as Jean-Baptiste Leclère, Kuniko Kato and Aiyun Huang.

This opportunity has not only given me valuable insights into the world of percussion performance, but has opened my eyes to musical opportunities post university.

Many thanks,
Arund
