Dear Friends of the Academy,

I would like to sincerely thank you for supporting me to travel to Launceston, Tasmania to complete my secondment with Tasdance, Tasmania's flagship contemporary dance company. I am extremely grateful and honoured to receive a \$600 Friends of the Academy grant which funded the costs of my flights.

The generous support of the grant meant that I was able to learn new skills and expand my knowledge of contemporary dance. Paramount to this, I immersed myself into a professional dance environment; networking with industry professionals. My time with Tasdance was valuable and highly rewarding. Throughout the week I participated in yoga and contemporary dance classes, their community engagement program and the choreographic projects of five individual artists. In doing so, it expanded my improvisational, artistic and choreographic skills.

I am grateful for the experience of my secondment at Tasdance and thank you again for your support.

Kind regards,

Jo
