

On behalf of my sister (Amanda) and me, please pass on our thanks to Lyn for her time and care as well as to Peter and others involved in ensuring the success of the 'Behind the Scenes' tour we attended today.

It was a wonderful event and greatly enhanced our appreciation of the talent and amazing hard work that WAAPA students and teaching staff put in to make all their productions reach the highest standard.

Being Friends of the Academy is so terrific!

Kind regards  
Fiona
