

To you and Peter, and all others who contributed to the WAAPA tour yesterday, many thanks for your hospitality and kindness.

These events take a fair amount of effort and time to pull together ... lovely when it is a success, all has gone well, and everyone goes home happy and enlightened. Please take a bow!

We enjoyed seeing behind the scenes and particularly loved being invited into the classrooms to see quality teaching and student performances. The commitment and passion, freshness and energy of the students were incredible and very powerful to see in the performance.

We wish you and Friends of WAAPA all the best in your future ventures.

Regards,

Janet West

(The Richard Gill Award was a highlight ... of course!)
